Thirty Dollars Reward.

RAN away from the subscriber's farm, in
Fairfax county, Virginia, on Sunday the
29th ult. a NEGRO MAN named

B E N,

Very dark complexion, well made, about
5 feet 10 inches high, about 25 years of age,
has a remarkable scar in one of his hands,
occasioned by a burn when young; it has
caused a contraction of his thumb, and a part,
or all his fingers on that hand. I have not
ascertained what clothes he took with him;
but if he intends leaving the neighborhood,
he will no doubt change them.—I will give
the above reward to any person who will ap-
prehend said BEN, and secure him in Jail
so that I get him, provided he shall be taken
out of this state, or the district of Columbia;
but if taken in this state or the district afore-
said, I will give TEN DOLLARS, and pay
all reasonable charges.

Joseph Powell.

To the Lovers of Agriculture

An ample and fertile field is presented.

WISHING to direct my attention to a
different employment than that of
farming, I offer to let, for a term of years,
that VALUABLE ESTATE whereon I re-
side, and known as *Alexander's Island*. This
estate is situated on the south side the river
Potomac and in the lap of government; the
main road passing through has afforded to
travellers an opportunity of viewing this
beautiful and by nature productive farm.—
This property, possessing the advantages of
three markets, George-Town, Washington,
and Alexandria, renders it an object well
worthy the attention of the farmer. Any
further commentary is deemed unnecessary,
as persons wishing to rent it is presumed
will view the estate.

If this property is not soon applied
for, I shall make arrangements for the cul-
tivation of it myself, which will preclude o-
thers for the succeeding year. Any infor-
mation will be given or applications received
in relation to the Island, by George Wash-
ington, or myself resident thereon.

W. H. Washington.

100 DOLLARS REWARD.

RAN AWAY on the 30th June last, from
the estate of Daniel McCarty, deceased, in
the county of Westmoreland, and state of
Virginia, a Negro Man named JERRY, a-
bout thirty-five years of age, dark complex-
ion, about six feet high, a bad countenance,
and a remarkable scar across his nose, and
another on his head, a little above his fore-
head; he had on a homespun twilled yarn
and cotton round jacket and pantaloons.—
There is no doubt but he will change his
clothes; it is therefore thought unnecessary
to describe them more particularly. It is
expected that he has procured a pass, or a
forged certificate of his freedom, as he went
from a neighborhood where there are many
free negroes who write, and from whom he
might very readily obtain a copy of their
pass, or certificate of freedom. It is confi-
dently expected that he will endeavor to get
to some of the northern or eastern states.
He was seen a short time since in the town
of Baltimore. Thirty Dollars will be given,
if taken in the county, and if out of the state
and secured in any jail so that I get him a-
gain, the above reward and all reasonable
charges paid, if brought home.

Richd. Stuart.

N. B. All masters of vessels and other
persons, are hereby forewarned from harbor-
ing or employing the above described Negro
Man, at their peril, or under the severest pen-
alties of the law.

DR. SANFORD'S improved POWDER
of the BARK, having been used and highly
approved by many physicians of distinguish-
ed character in different parts of the United
States; the proprietor is now encouraged to

persuasion, that no practitioner of taste, in
the choice of his means, can fail to be grati-
fied in the use of this elegant preparation.—
In strength, fineness and certainty of opera-
tion, it greatly surpasses the bark in com-
mon use.

PUBLIC SALE.

PURSUANT to a deed of trust from
DANIEL MCCARTY, to the subscriber,
made for the purpose of securing the pay-

deed mentioned, will be exposed to public
sale, to the highest bidder for ready money,

Pohick, adjacent to Gardener's Mill, in the
county of Fairfax, called

MOUNT AIR.

This estate contains at present, exclusive
of prior conveyances, between six and seven
hundred acres of LAND—the soil is believed
to be of excellent quality, with a plentiful
supply of timber and wood, and the dwelling
house and other improvements, well calculat-
ed for the accommodation of a genteel fami-
ly. The situation of this estate, distant
about ten miles only from Alexandria, and
upon a water course that admits of a navigati-
on for boats nearly to the very edge of the
land, renders it a very desirable and valuable
